

2008 West Edmonton Mapping and Planning (WEMAP) Partnership Agreement

Statement of Need:

Partnering agencies lack information about the community and existing resources.

Participant agencies lack the resources to do an extensive needs assessment

Participating agencies are often unable to participate in community development, as they lack resources.

Participants are interested in identifying new potential partners.

Partners see the value in enhancing partnerships.

Goals:

We will create a community profile for West Edmonton.

We will identify areas of need and strategies to meet the need.

We will engage the community of service providers in this process.

Expected Outcomes:

Trends are better understood.

Enhanced partnerships among participants.

Participants have a deeper knowledge of their community.

Participants have a greater commitment to collaborative planning.

Resources are identified and maximized

Vision:

More effective services are delivered to children, youth and families.
